

Caterine

How she's getting on:

Caterine is eight years old now and in the second grade at school. Her teachers say that although her attention can wander a bit, Caterine does make an effort to listen and to take in everything she is taught. Her behaviour at school and in Salem home has improved a lot over the past few months.

The house parents of Salem describe Caterine as very active and a little absentminded! She is talkative and sociable, and loves it when people give her a lot of attention. Caterine's best friend is Celeste, and the girls love to watch TV and play with dolls together.

Caterine's mum is still living on the streets and struggling to turn her life around. Please pray that God will work in her life, and that one day she will take an interest in her children and work towards being able to care for them again. Pray that God will help Caterine to cope with the hurt caused by her mum and that their relationship will improve, and that Caterine will always know love and security in her life.
